2016 Allegheny League of Municipalities Banner Community

Congratulations on being named a 2016 Banner Community by the Allegheny League of Municipalities! While this is the first time the designation has been awarded to your municipality, we look forward to many more years of your elected and appointed officials leading the way in this community. This designation is reflective of the fact that the officials in your municipality follow best practices and provide the most efficient and effective services to your community. Being a Banner Community also reflects your continued commitment to the training and education of officials, active participation in professional organizations and in council of government, ongoing sponsorship of community events, and routine communication with residents. This level of government, more than any other, has a substantial impact on the lives of your residents which makes the job you do all the more important. Thank you for all that you have done for the residents of your municipality and for making our community a better place to live.
