

North Versailles Township
2019-2020 Time Capsule

Dear North Versailles Township Residents,

During the North Versailles 150th Celebration this past summer, our time capsule was opened from the year 1969! We are looking to refill our time capsule over the next few months. We are asking all residents to help us refill the capsule so it can be opened 50 years from now! Letters, pictures, articles, and local news are all examples of items that you may want to include. Please have the items in a clear storage bag for protection. You can drop items to be placed in the time capsule at the North Versailles Library or at the North Versailles Township office. Please have all items turned in by the end of March 2020. If you have any questions please email Tracy Yusko at bugaboo03@comcast.net or call 412 303-6252.

Thanks for your support,
Tracy Yusko
North Versailles Twp. Commissioner
