In these trying times we hope everyone is staying safe and healthy. You may have heard that other refuse companies are not taking **bulk items**, but here at Big's Sanitation Inc. **we are collecting** them for our customers. We do not want objects or furniture being left throughout the community causing any health or sanitary issues. **We do ask that your trash is bagged and tied properly so that there are no issues with any loose trash or bacteria or germs.** While operating under normal circumstances, we do not take any building materials or vehicle parts. Please know that we are still in the office Monday through Friday 8:00am until 5:00pm and are here to answer any of your questions or concerns.

Thank you,
Joseph Egor Sr., President
